

What is VocabClass.com?

VocabClass is a digital spelling and vocabulary program for grades K-8 that combines a fun and engaging learning environment with standards-based activities.

Our customizable suite of game-based lessons are interactive experiences that promote active learning, independent critical thinking, and long-term retention. Our word study program was designed to provide meaningful and extended spelling and vocabulary practice either as a stand-alone curriculum or as a supplemental resource.

★ Key Features

Grade Appropriate Lists

Self Paced Learning

Differentiated Instruction

Printables Offline Option

What makes VocabClass safe?

We take your privacy and your students seriously. VocabClass protects personal information and our commitment is guided by a few major principals:

- We don't require any Personal Data from students.
- Account manager can delete or correct Personal Data from students at any time.
- Maintain a safe and compliant platform.
- Information is never sold.
- Bank-grade security at the software and network level to ensure all data is secure.
- All information is stored in highly secure, access controlled data centers.
- Work regularly with third party auditors to continually improve security measures.

Help your students build spelling, vocabulary, and reading comprehension!
